Re: Petition of the Office of Regulatory Staff for a Declaratory Order Against Stan Brown d/b/a Water Head, LLC Requiring Certification as a Water Utility and the Posting of a Performance Bond **Docket No. 2007-64-W/S**

Dear Mr. Terreni,

As a follow up to my letter dated June 13, 2008, filed in response to the Commission Directive issued in this matter on May 28, 2008, ORS believes that the Petition for Acquisition and Expansion of Service Area filed by Mr. Stan Brown and Water Head, LLC, under Docket No. 2008-270-W, should satisfy the terms and conditions of the Settlement Agreement entered by the parties in Docket No. 2007-64-W/S. Although there are still some unresolved issues between Mr. Brown and ORS, we believe that the issues raised in Docket 2007-64-W/S are capable of being resolved in some manner in the currently pending docket.

To ensure Mr. Brown's continued cooperation and compliance with the terms of the settlement agreement entered in Docket No. 2007-64-W/S, ORS does request that this docket remain open until such time as a final Order is issued by the Commission in Docket No. 2008-270-W.

Yours Truly,

Jeffrey M. Nelson
